We are open!

In the interest of brevity and speed we ask that you let this message serve as our response to requests for information about COVID-19's supply chain, our supplier's supply chain, etc.

- 1) Our products and services are deemed essential for our nation's critical infrastructure as well as support of rated orders under the Defense Priorities and Allocation System (DPAS) under authority of the Defense Production Act of 1950
- 2) The great majority of our supply chain is also open for they are also deemed essential.
- 3) **We are OPEN**

Tricor Metals / Tricor Alloys / Astrolite Alloys have significant stocks of titanium mill products and super-alloy welding wire - in a very broad number of sizes, forms and grades. Tricor Industrial has large stocks of an extensive variety of industrial supplies. Our materials are ready for prompt processing and supply from our Ohio, Texas, and California facilities.

We also have a team of skilled engineers and fabrication technicians that are poised and ready to design, fabricate, or weld-repair your titanium, reactive metal, super alloy, or stainless steel process equipment.
